## THE CAMPAIGN FOR MILTON

One important campaign goal is to raise **\$47 million** in additional endowed funds for financial aid. By doing so, we will add approximately **\$2.25 million** in protected financial aid funds each year.

Why is this important? Why now?

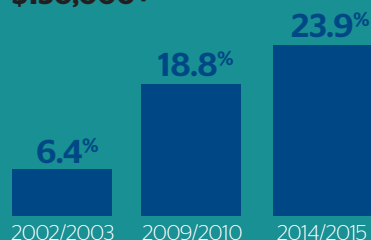

### Milton is responding...

Applicants requesting and receiving financial aid.

The need for aid is rising among the middle class.

Financial aid recipients with family income of **\$150,000+\***

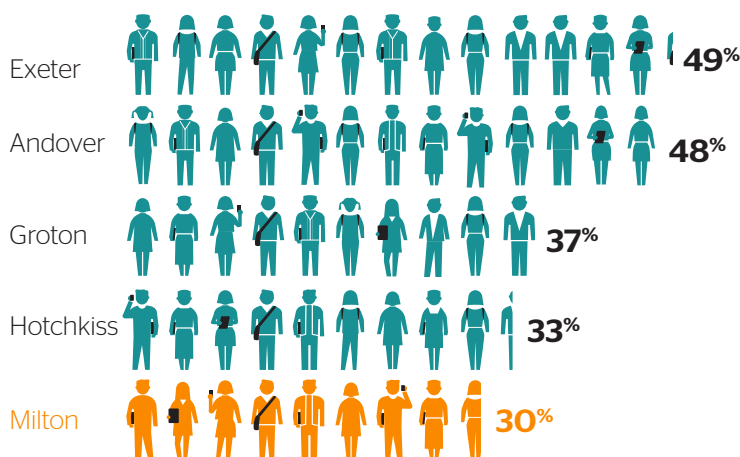

\*according to the National Association of Independent Schools.

### ...but is lagging behind.

Percentage of students on financial aid at peer institutions.

### Trying to meet that need takes a toll on Milton's operating budget.

### Your Gift Makes a Difference.

Build a stronger student body...

By increasing Milton's ability to admit students based solely on the strengths they bring to our community, all Milton students benefit from being part of a richer, more dynamic, more challenging academic environment.

And a stronger Academy...

By securing financial aid funds through the endowment, demands on the operating budget are reduced—freeing more funds to fuel innovations in teaching and learning.
